

The future is here. We are having a sample virtual reality day for some classes next week and want parents to come and see for themselves. We hope to explore different ways of learning in the 21st century and take virtual trips to the likes of The Pyramids in Egypt, The Rainforests in Brazil, The Eiffel Tower in France and The Burren in Co. Clare. We are using most of the day for student classes, but we have kept one class free for parents. Details below.

**Location:** Mount Carmel Secondary School

**Date:** 29<sup>th</sup> March 2022

**Time:** 11 – 11.40 am

For more information, please contact Justin on 086 0200 299.
